

## SERVICE ALERT

As an effort to mitigate the spread of COVID-19 and reduce risk of exposure to staff, University Mail Services will allow packages to sit for 24 hours before accepting them into the facility and sorting them for dissemination.

This may result in a delay for those shipping time sensitive packages through the US Mail. As always, CVMDL suggests shipping through an overnight courier such as Fedex or UPS.

Please contact the CVMDL at 860-486-3738 or our website [CVMDL.UCONN.EDU](http://CVMDL.UCONN.EDU) for information on discount mailing labels.
